

Christmas Jumper Day

We will be celebrating Christmas Jumper day on **Friday 11th December**. Children can come dressed in either a Christmas jumper or their own clothes. We won't be collecting donations this year as we understand that it is a difficult year for many people.

At the children's request, **Friday 18th December** will be a 'Dress Up Day'. Children may choose to come dressed in a party outfit, their own clothes or in fancy dress.

We have also bought a license to view a stage pantomime of Jack and the Beanstalk on that day. Hopefully the children will have a fun-filled start to the Christmas Holidays!

**Don't be the link.
Stop the spread.
Save lives.**

Stay at home if

- You have symptoms
- You are awaiting a test result
- You have tested positive for COVID-19 or
- You have been told to self-isolate by NHS Test and Trace or the council

Thank you for your support in following the before and after school procedures in place to try and reduce the number of children and adults on the playground at any one time.

It is really important that we ensure all systems continue to be followed to try and reduce further cases in school and the local area.

A number of parents have asked about our school breaking up a week earlier for Christmas as discussed in the media. The DfE are firmly against this suggestion and as far as we know, schools will not close for Christmas until the planned date of Friday 18th December.

Please could you ensure the following steps are taken to support our health and safety in school;

- ◆ If a member of your household has symptoms and is awaiting a test result, please inform the office and **do not send your child to school until a negative result is obtained**. We would be very grateful if you could call the school office to make us aware of the test outcome before your child returns to school.
- ◆ If your child receives a positive COVID result, please inform school as soon as possible. The admin email admin.asf@ebor.academy is checked regularly over the weekend so that communication to isolate can be swift.

Thank you for your cooperation.
