

All Saints' News

Edition: 7

Date: 18.01.21

Hi Everyone, I hope you're all well. The children continued to impress us with their amazing remote learning last week. We appreciate how difficult this is for families to juggle and are very grateful to you all for your support. Thank you also to the many parents who emailed school to express their thanks regarding our remote learning package. The staff are all working very hard and your emails expressing thanks and letting us know that your children are enjoying their learning, really made a difference.

Unfortunately, we had further Covid-19 cases in some classes across the federation last week and a number of classes had to be placed in isolation. It is so important that everyone continues to follow the rules as the virus is most definitely still in our community. Take care and stay safe! Miss Jackson

Paper Packs of Work

Paper packs of work will be available every Monday morning outside the Infant and Junior School offices for the children in FS2 to Year 6. These packs duplicate the work set on Google Classroom. If your child is completing their work on paper, instead of online, please ensure that you return the completed pack on the following Monday so it can be marked by their class teacher.

Zoom Calls

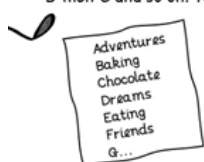

The Zoom calls seem to be working really well across the school. They provide the opportunity for the children to interact with their friends and also gives the teachers a chance to explain the tasks. We appreciate that the Year 5 and 6 Zoom sessions start early at 8:30am however we have tried to stagger the times for all year groups to accommodate parents who have children in other year groups.

This week's activity ... Thankfulness

During these difficult times we often forget to be thankful for the good things in our lives.

Being thankful can help us to feel more positive.

- Draw yourself a thankful tree on a big piece of paper. It can be as simple or complicated as you like. Draw leaves, fruit or even acorns to cut out. Fill in something each day that you are thankful for on one of your cut out leaves, fruit or acorns and stick it to your tree. Watch your tree grow!
- Play a game with someone where you use the alphabet and starting with the letter A - think about something beginning with that letter that you are thankful for. Move onto B then C and so on. Take turns to think of something.

Thankful tree

Please be aware that if your child's teacher is having to isolate, the Zoom call will be unable to take place due to Ebor Academy Trust's safeguarding policy on staff not accessing live streams from home. If this was to be the case, a 'welcome' video for each day would be provided and written feedback would continue to be received through Tapestry and Google Classroom

Chrome Books and Internet Access

Please contact school if your child does not have access to the internet or a device as we may be able to help you.
