

Building the bridge to success together

Tuesday 5th January 2021

Dear Parents and Carers,

I hope that you are all keeping well and that you are managing to adjust to last night's announcement regarding the national lockdown.

Online learning will be available from tomorrow and children in FS2 and Year 1 will access this through Tapestry, with children in Years 2,3,4,5 and 6 using Google Classroom. We have spent much of our recent staff training time developing our use of a range of software types and these will be used to support your child's learning. We hope that our live teaching videos will support your child to access their learning independently and provide greater explanation and support. The learning offer for your child is attached. Please see the relevant year group.

Each day's work will be scheduled from 8:00am every morning and we ask, wherever possible, that this is completed and returned by 3:00pm. We understand that this may not always be possible. We recognise that the children will understandably miss seeing their friends and you will see regular zoom sessions timetabled in throughout the week, to provide them with the time to see each other, review their learning and for their teacher to be able to support their next steps. Links for the Zoom sessions will be available on Google Classroom and Tapestry.

Please can I remind you of our 'Zoom Rules'. Please ensure that your child; takes part in their zoom call downstairs [not in their bedroom], wears clothing, has an adult present and that they do not record or take screenshots of the session.

If you would prefer a paper pack of work for your child to complete, these will be available every Monday morning and can be collected from the Infant and Junior office entrances.

We have a limited number of chrome books available that we can loan out to parents to support their child's learning at home. If this is something that you require, please email school on admin.asf@ebor.academy. As we only have a small number of chrome books available to loan at the moment, please only enquire if you have no other suitable device at home. We will contact parents tomorrow if you are able to loan one of our devices.

I appreciate how difficult last night's announcement was for everyone. Please be assured that we will continue to support your child's learning and wellbeing in the best way we can.

Thank you very much for your support.

Kind regards

Miss L. Jackson
