

All Saints' News

Edition: 14

Date: 14.05.21

School has seemed a hive of activity over the past few weeks. Following the Easter break, the children completed some assessments and these results, alongside teacher assessments, are being used to ensure the children's next steps in learning are being suitably addressed. There has also been some amazing art work being created and our school displays are certainly looking vibrant and very impressive. We have managed to make the most of the little bit of sunshine we've seen, with outdoor learning and our gardening project is now well underway. We look forward to another few action packed weeks over the coming months. Have a lovely weekend. Miss Jackson

Global Goals

Our trees of hope have been planted, seeds have been sown and we have started to get some of the planting beds ready. Our partner schools in Sierra Leone have also done their planting this week and it will be lovely to compare how the trees develop. We have a team of Global Champions in school who represent each year group for the project. They have also met with other Ebor schools for a Zoom meeting to share our planting and sustainability plans.

One of our Global Champions commented, "We are most looking forward to watching our trees and plants grow, sharing photographs and videos with our partner schools and recycling more in school."

We will keep you updated as the project evolves.

Hessle Scarecrow Festival

Keep a look out for our scarecrows over the next week.

Hessle Scarecrow Trail

Saturday 15th May - Sunday 23rd May

COVID restrictions

With further restrictions being lifted on Monday 17th May, we are continuing to reflect on whether our measures in school are required and appropriate. The decision has been made that masks should continue to be worn on the school site until May half term please. We will hopefully feel confident that this measure can be lifted following the half term break.

Hull FC sessions

Children in Years 2, 3 and 5 have been working with the Hull FC coaches this half term. Year 2 have been perfecting their rugby skills whilst Year 3 have focused on hockey and Year 5 dance. Following the half term break, sessions will be provided for the children in Year 4.

Hull FC also recently presented us with a signed shirt and ball. These will be included in our school summer raffle.

Reminders

- ◇ Please do not bring dogs on to the school site.
- ◇ We have had concerns about the parking on Lime Tree Avenue. The bottom of the road, near to the Infant School gate, is to be left clear to enable cars to turn around. Please avoid parking across the entrance.
- ◇ A number of children are arriving at school late each day. We understand that some drop off times may clash but please try and ensure that your children arrive within their drop off time and certainly before 9am each day.

A reminder of the start times are above.
