

Building the Bridge to Success Together

# All Saints' News

Edition: 16

Date: 02.07.21

Thank you to everyone who has joined us for Sports Days over the past couple of weeks. It has been lovely to welcome parents back into school to join us for these events and I know the children very much appreciated having a supportive crowd of spectators.

As the half term continues to race round, we are busy preparing for the next academic year. We still await guidance regarding any restrictions required in schools for September but as soon as we have any further information, I will share it with you.

Many local schools have had to close bubbles over the past week due to a rise in Covid cases. All of our measures remain in place and I would be very grateful if everyone could ensure our drop off and collection routines are followed as well as being proactive with getting your children tested, should they display any symptoms. We all have our fingers firmly crossed that we can manage the last three weeks without any classes having to isolate.

Have a lovely weekend!

Miss Jackson

**SPORTS DAYS**

## Year 6 Visits

Our Year 6 classes have visited Go Ape at Normanby Hall and Flamingo Land over the past two weeks. We unfortunately could not go ahead with our usual residential trip to Derbyshire this year but we are pleased that our Year 6 children have had two great days out. Well done to everyone in Year 6 for conquering your fears, having fun and representing our school brilliantly.

### School Video

A couple of weeks ago, Tim Moat from Ebor visited All Saints' for the day and filmed the footage for our school video. This has been shared on our website and should hopefully provide prospective parents and children with a flavour of what's on offer at our happy school. Our video can be viewed here

### Maths Day / Non-Uniform Fundraiser

Thank you to everyone who contributed to our fundraising day on Friday 11th June. The children had a fantastic Maths/Geography theme day and we raised £705.75 towards a defibrillator for school. This has now been ordered and will be installed over summer.

### Transition

We understand the importance of transition for all children and have planned the events below to enable the children to have the opportunity to meet their new class and teacher whilst maintaining our bubbles and the current requirements.

**Children starting in FS2 in September** have been invited to join at a given time outside on Wednesday 14th July.

**Children starting in Y1,2,3,4,5 and 6 in September** will spend some time outside on the afternoon of Friday 16th July with their new class / teacher. This will take on more of a circle time approach with the children sat with others from their current bubble.

**Current Year 6** children will now not be attending their secondary schools for transition due to the Covid restrictions. Some schools are providing online work which the children will complete during the school day.

### Active Travel Week

On Monday 12th July to Friday 16th July, we are promoting an 'Active Travel Week'. Children will gain a raffle ticket for either walking, biking or scooting to school and these will then be put into a raffle for the end of the week. We understand that some people live a distance away from school and have to come in the car. If this is the case, you and your child could park a little distance from school and walk the remainder of the journey to still access the challenge.

### Bling your Bike or Scooter

We will be finishing our Active Travel Week with a 'Bling your Bike or Scooter' competition on Friday 16th

July. If your child would like to take part in the parade and competition, they will need to bring their decorated bike or scooter to school on the Friday morning.
