

Building the Bridge to Success Together

All Saints' News

As our school year draws to a close, it is difficult to comprehend the enormity of the past year. There are many words that we are all hoping we have seen the back of, including; bubbles, isolation, contact, remote learning to name but a few. It is important however to celebrate all that we have achieved. Despite the challenges, our school community has continued to work together with the children at the forefront of our minds.

I would like to take this opportunity to thank all of our staff for their hard work and commitment during this time. I feel extremely fortunate to work with this wonderful team and do not take for granted the extra effort they all put in to make All Saints' a fun and engaging place to be.

Thank you also to our governing body, who have given their time throughout the year, to offer support and challenge which has contributed to the leadership and further development of the school. Parents and carers, thank you for your ongoing support throughout the year, especially for taking on the enormous task of remote learning whilst juggling work and other family commitments. Finally a big thank you to the children for trying their best in a variety of circumstances, adapting to change and continuing to make us proud everyday.

Have a lovely summer break. We look forward to welcoming you back to school on Tuesday 7th September. Best wishes Miss Jackson
