

Building the Bridge to Success Together

All Saints' News

Edition: 1

Date: 10.09.21

Welcome to the first newsletter of the school year. To our new families, I am delighted to welcome you to All Saints' and we look forward to working with you to ensure your child has a happy and successful school journey.

We have had a fantastic first week back in school and have been amazed at how brilliantly the children have settled into their new classes and school routines. The children enjoyed their Wow days and have launched into their new topics with excitement and enthusiasm. As you are aware, we are continuing to work in year groups across the school but it has been so refreshing to see children enjoying their playtimes together and a sense of normality returning to school life. Have a lovely weekend! Miss Jackson

School Behaviour Policy

During the first week of term, all children have been reminded of our whole school behaviour expectations. Our approach, rewards and promotes positive behaviour whilst supporting children in overcoming any difficulties which may arise. We support children's resilience and operate a team approach where our aim is to provide children with the skills and tools to successfully resolve conflict, understanding how the choices they have made have affected others. We promote positive language and look to find opportunities where children can succeed and have good choices in their behaviour recognised. We use the language of 'wow' and 'good' but equally we are consistent in our high expectations that children within our care, guidance and support can make mistakes but then rectify the result of their actions and actions.

We have three simple school rules;

- We use positive language and only say kind and polite words.
- We keep control of our hands, feet and objects.
- We follow instructions.

Hull FC and Fit4Fun

We have committed to a greater amount of sports coaching this academic year from both Hull FC and Fit4Fun. As well as ensuring the children receive high quality sports tuition, this will also enable our teaching staff to work alongside the professional coaches and develop their skills even further.

Children from FS2 upwards will be receiving the coaching for given periods of time throughout the year.
