

# All Saints' News

Edition: 4

Date: 26.11.21

The last few weeks certainly seem to have had their challenges. As you're aware, we have had a recent Covid outbreak in school which was particularly prevalent in certain classes. Thank you to those parents of children in those classes for supporting the management of the cases through taking their children for testing and, in some instances, managing a short stint of remote learning. We will continue to ensure the children remain in year groups for the foreseeable and that our increased cleaning routines are in place. The last few weeks have shown the value of these measures being in place, as we have prevented a wider outbreak of cases. Please continue to be vigilant and ensure that your children are tested if they display any symptoms.

Thank you to all members of our school community for coming together and offering support in response to the fire on Wednesday evening. It is at moments like this that we can truly appreciate the strength, power and unity of the Hessle community. Understandably, the children were keen to share their experiences yesterday morning with many children feeling worried and upset by the events of the night before. The children were well supported by all of our staff team and were given the time to explore their feelings whilst showing appreciation and thanks to the services who were involved in keeping everyone safe.

We understand that some families have been directly impacted by the incident on Wednesday and are here to support you. Please contact Mrs Nicholson, Mrs Newsham or myself if your family requires any specific support. Have a lovely weekend everyone! Miss Jackson

## THANK YOU!

Miss Jarvis kindly delivered some of the children's lovely letters of thanks to the Humberside Fire and Police teams.

The tweet by Humberside Police below, demonstrates how much these were appreciated.

Miss Jarvis, year 3 teacher from All Saints School in Hessle came in to show us the letters and pictures of thanks that the kids had been drawing for us and @HumbersideFire for the helping with the fire in Hessle last night. Some of us had wet eyes reading them!
