

Building the bridge to success together

6th September 2022

Dear Parents and Carers,

The 2022/2023 academic year has arrived! I hope you have all had an enjoyable summer holiday with your children. It has been fantastic to welcome the children back to school today. They are all looking very smart in their school uniform and have made a wonderful start to the new school year.

A very warm welcome to the families who are new to All Saints', I am thrilled you have made the decision to join our school team and we look forward to working with you to ensure your child has a happy and successful school journey.

The summer holiday has been a productive time in school with the Years 2, 3 and 4 classrooms all being decorated, the annexe refurbishment nearing completion and the new school roof also being completed.

Staffing

As well as having many new children joining us today we are also delighted to welcome; Mr Tucker, Mrs Sheldrick, Miss Green, Miss Lalic, Miss Coulman, Miss Sims and Miss Wardman to our teaching staff team. Miss Reeve, our nursery teacher, remains off work for the current time and Mrs Hinson and Mrs Saddington will be taking on the role of Early Years lead practitioners in the nursery until she is able to return. Miss Reeve was diagnosed with breast cancer during the summer term and has had surgery and is now undergoing chemotherapy treatment. She is definitely showcasing our school value of 'courage' to the maximum and we all keep her in our thoughts and prayers for a swift recovery.

Please see below our senior leadership team staffing structure for the current academic year.

English Lead – Miss S. Hoggarth

Maths Lead – Miss L. Brown [Covering Mrs Stansfield's maternity leave]

We pride ourselves on working with parents to ensure that all children are happy at school and are able to achieve highly. If you have any concerns, please speak to your child's class teacher in the first instance and then contact a member of the senior leadership team if required.

As always, we are here to support our whole school family and that includes parents and carers as well. We recognise the difficulties that many families may face this winter with the increase in energy prices as well as other household costs. If you require any support or would like to access our school foodbank, please speak to Mrs Nicholson who will arrange this for you.

As the new school year begins, we have so much to look forward to. We are now in a position to welcome parents back into school for class worships and stay and read sessions and much more. Please keep a look out for the parent calendar included in the next newsletter.

Kind regards

Miss L. Jackson

Headteacher
