

Building the Bridge to Success Together

# All Saints' News

Edition: 13

Date: 26.05.23

What a speedy half term! We have so much to celebrate this half-term. After Easter, we had our Ebor review and we received such lovely feedback from the Trust executive team. They were especially impressed with the children's attitudes to learning and the quality of work they produce. The children in Year 2 and Year 6 have also made us especially proud as they worked extremely hard when completing their SAT's / Secret Missions. Every child displayed their very best efforts and maintained a smile throughout - which is the most important thing!

This week we have welcomed Mrs Cowling and Mrs Miller back to school following their maternity leaves. Mrs Miller will be providing leadership across the Junior School for the next half term and providing targeted interventions to certain groups. Mrs Cowling is going to be covering Mrs James' maternity leave from July onwards so she will be spending the next few weeks working alongside Mrs James to ensure a smooth transition. Have a lovely half term break, Miss Jackson

## Daily Mile - Parents/Family Members Invited

Parents, carers and other family members are invited to join us in school to complete the daily mile - running or walking is permitted!

**Thursday 8th June - Infant School**

**Friday 9th June - Junior School**

Please drop your children off as usual on these mornings so they can be registered in school and then wait near the year group door at 9am ready for the running fun to begin!

## School Parliament

Our school parliament met this week and the committees fed back their progress since our last meeting. The parliament members have worked very hard to bring about positive change within school. To quote Emma Hardy, 'our future politicians'. We also welcomed Penshurst School Council to our meeting and topical Hesse issues were discussed.

2023  
- 24

## Class Structure for 2023/24

As you are aware, we occasionally move the classes around to ensure that the classes are suitably matched and to enable the children to have the opportunity to meet a wider range of children within their year group. With most classes remaining the same last year, we have made the decision to rearrange the classes in Y1, Y2, Y4, and Y5 for the next academic year. This will be done in consultation with the children and organised by the class teachers who know the children well.

The children in FS2 and Y3 will be moving up in their current classes to the next academic year.

We hope to be in a position to share staffing and class allocation with parents by Thursday 6th July.

## Diversity Role Models

We have signed up to take part in a new anti-bullying project 'Embracing Difference - Ending Bullying', which has been funded by the Department for Education. We are working with a charity called Diversity Role Models, who will be delivering staff training and supporting us to prevent prejudice-based bullying.

An important part of this project is to understand the views and experiences of our parents/carers. This is a chance for you to share your views and help create a positive and impactful change at the school. Please take 5 minutes to complete the survey.

[Click here to access the Parent/Carer Survey.](#)

Your responses will help shape the training and create a tailored school action plan. Please complete the survey by Friday 23rd June 2023.

### Driffield Food and Farming Day - Year 6 Visit

On Tuesday 23rd May, we went to Driffield Showground for Food & Farming day. All of Year 6 went, and we saw lots of things, such as: Baby animals (pigs and lambs), a gundog show and even more!

My favourite part was the sheepdog show as we were able to see the sheepdog in action and it was fascinating to see all the different ways they made the sheep go into their pens. It was cool to see how they use different commands. They also did a part where they used whistles to control them.

I also enjoy seeing 'Black Bess' which was a steam traction engine that was 124 ears old. It was amazing that they shovelled coal in and steam came out and we got to see it!

In conclusion, I really enjoyed the experience and I loved being able to see and learn about all the animals and farming. Report written by Lora [Year 6]

### Sam's Safari - Year 2

Last Friday, Sam's Safari came to visit Year Two. We learnt about rainforest animals. We got to hold a giant snail and a stick insect. We got to stroke a tortoise's hard shell and also touched the slimy frogs. We all had a great time and learnt lots.

Report written by Zac [Year 2]

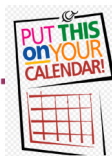

**Please support our SUMMER FAIR 14th July after school! Fun for all the family! Bouncy castle, games, music, various stalls and hot food available.**

### Diary Dates

Date	Nursery	FS2	Y1	Y2	Y3	Y4	Y5	Y6
