

Building the Bridge to Success Together

All Saints' News

Edition: 14

Date: 16.06.23

I hope you're all enjoying the lovely sunny weather - the children have certainly loved spending playtimes outside on the school field over the past couple of weeks. I've got everything crossed that this weather holds out and we can enjoy some sunny sports days in a couple of weeks.

This week in school, we have focused on anti-bullying and your child will be bringing home a poster/leaflet to share with you. Bullying is most certainly not tolerated at All Saints' and our behaviour policy is used consistently to address any unacceptable behaviour carried out in school. Our school definition of bullying is **Several Times On Purpose**. The children have shown a detailed understanding of this concept and have taken part in such thoughtful discussion this week.

Have a lovely weekend.

- Miss Lalic and Miss Wardman are both sadly leaving us at the end of this term. Both of these staff were initially employed on maternity cover contracts - we thank them both for all of their hard work.

- Mr Ellis will not be with us next year as he is taking a year's sabbatical leave from All Saints' to undertake an amazing travelling opportunity.

- Mrs Scott will return from her maternity leave in Sept.

Caring Squad are ready for action!

Our Health and Wellbeing school parliament committee came up with the idea of a caring squad to be in operation on a break time and lunch time. Olivia, one of the committee members, designed a suitable logo and this has now been printed on some hi-vis vests so that the Caring Squad members are highly visible on a playtime. Noah [Y1] explained, 'The caring squad is to make sure that everyone is okay on a break time. If people are feeling sad, the caring squad will run over and cheer them up.'

REMINDER - Diversity Role Models

We have signed up to take part in a new anti-bullying project 'Embracing Difference - Ending Bullying', which has been funded by the Department for Education. This is a chance for you to share your views and help create a positive and impactful change at the school.

Please take 5 minutes to complete the survey.

[Click here to access the Parent/Carer Survey.](#)

Your responses will help shape the training and create a tailored school action plan. Please complete the survey by **Friday 23rd June 2023**.
