

Building the Bridge to Success Together

All Saints' News

Edition: 3

Date: 27.10.23

Thank you to everyone who joined us for parents evenings last week. The teachers enjoyed sharing the children's work with you and I hope you enjoyed having the opportunity to discuss your child's progress. We have had a fantastic first half term of the academic year. Our new children have settled brilliantly and have soon become well established within our school team. The classrooms have been a hive activity with some wonderful topic learning taking place.

Last Friday, we held a fantastic Parliament Day in school. Class teams worked together to decide on their team values and manifestos, children created persuasive speeches sharing their values and then voted to decide on class party leaders. These children will represent their team's in our Pupil Parliament meeting after half term. It has also been lovely to see [and hear] more music within our school this half term. We are really proud of our school curriculum however, we felt that music was one subject which we could raise the profile of a little more. Music is one of the key areas for development on our School Development Plan this year and it's been great to see the progress already made in this subject. A big thank you to Miss Middlewood and Mrs Beales for their hard work in leading this.

We continue to promote reading across the school with every class having visited Hessle Library this half term. I know many children have been back with parents to set up their own library accounts. We are excited to re-establish reading buddies throughout the school and this will be happening next half term.

Thank you for your continued support and have a lovely half term break. Miss Jackson

Harvest Festivals

A big thank you to our Year 2 and Year 3 children for leading our Harvest Festival services on Friday 6th October. They confidently presented a range of poetry, songs and stories to help us give thanks for all we have as well as prompting us to think about those less fortunate. Thank you to Rev. Gemma and the All Saints' team for your support in the services.

Thank you all for your generous donations for our school foodbank. They are very much appreciated.

DON'T FORGET!

Reminders

Please make sure that your child/ren are wearing black shoes/trainers for school.

Please could you ensure that children are not playing near cars in the car park before and after school.

Children in Need

We will be raising money for Children in Need on Friday 17th November 2023. We will be following this year's theme of '**SPOTacular!**' The children will be able to come to school dressed as they choose. Pyjamas and fancy dress are also allowed! Further information regarding our fundraising will be shared after half term.

Year 6 Trip to the Deep

Year 6 had a brilliant school trip to The Deep. They spent their day learning about the pollution in our oceans and viewing lots of marine life.

Nurture Room Renovation

Thank you to Mrs Brodie and her daughter for redesigning one of our nurture rooms. They decorated the room using calming colours and have created an environment which is being used to support children's wellbeing. Thank you also to Mr Hammond and Crown Paints Ltd for very kindly donating the paints.

Staffing Update

Today is Mrs Gronow's last day at All Saints'. Mrs Gronow has played a huge part in many children's early experiences of school and she will be greatly missed. We wish her lots of luck as she starts in a new profession.

Miss Wilkinson will be moving to support Miss Smith and the children in FS2S. Mrs Palmer and Mrs Walker will be working with Miss Sheldrick and FS2Sh after half term.

It has been lovely to welcome Miss Jarvis back to school this week.

Thank you to Miss Wardman for teaching 5J this half term.
