

## Building the bridge to success together

11<sup>th</sup> April 2024

Dear Parent

### ELECTION OF PARENT GOVERNOR

I am writing to you to inform you about becoming a Parent Governor on the Local Governing Body ('LGB').

Becoming a governor is a very rewarding and worthwhile experience. Effective governors do not need expertise in education but do need to be committed to their school, willing to ask questions and offer appropriate challenge and support.

The LGB welcomes nominations from any individuals, but we would welcome the addition of the following Skills to our LGB: governance experience / data analysis / finance management / human resource Management / local community knowledge / community services / premises & buildings management / commercial / health and safety / leadership and management / marketing and PR

Governors need to be able to work as an enthusiastic member of the governing body team with the aim of raising and maintaining high educational standards for all children. Governors are asked to act with integrity, honesty and objectivity and at all times in the best interests of the school.

Being a Governor is a fairly time-consuming activity, but the majority of Governors agree that the job brings many rewards, though not of the financial kind. The time commitment for Governors is attendance at a minimum of two meetings a term, and additional time spent on individual school visits and involvement in committees.

#### What Do Parent Governors Do?

The Parent Governors speak as parents: they can't speak for all parents and they are elected to take a strategic role in school not as a parent representative

The LGB's responsibilities affect most areas of the school. They establish, with the Senior Leadership Team, the aims and objectives for the school. They have a role in school discipline and they take part in appointing staff; they have influence over the money spent on resources and they have responsibilities in connection with the use and maintenance of the premises. More generally, they are expected to be in touch with the local community and to help guide the school to meet the community's educational needs. They are also expected to be able to explain to the community what the school is trying to achieve for their children. The LGB are responsible to the Board of Trustees of Ebor Academy Trust. They must undertake a DBS check and statutory training.

#### How Are Parent Governors Appointed?

We take the term 'parent' to include anyone who has custody of a child registered at the school, as well as 'natural' parents. Parent Governors will serve for four years, unless they resign. They can continue in office even when their children have left the school but they must have a child in school when they are elected.

If you would like to be a Parent Governor at All Saints' CE Federation of Academies, please complete a nomination form.
