

Building the bridge to success together

Wednesday 5th June 2024

Dear Parents and Carers,

I am pleased to attach the report from our recent Ofsted inspection at the Infant School that took place on 30th April and 1st May 2024. I am delighted to share that Ofsted agree that All Saints' CE Infant Academy continues to be a **GOOD** school. The feedback that we received, highlights the many areas of strength and we are extremely proud of this positive outcome which reflects the progress the school has continued to make since the last inspection. It is a testament to the compassion and commitment continuously demonstrated by our staff, the support of our parents and carers, and of course, a celebration of our fantastic children.

Some of the highlights from our inspection report include:

- *Positive and warm relationships are at the heart of this school*
- *Pupils know they are valued at school and as a result feel safe and happy*
- *Staff have high expectations of what children can achieve*
- *An ambitious and interesting curriculum is in place*
- *Attendance is high and children are keen to be in school*
- *Children behave well in class and during social times*
- *Provision for pupils with SEND is carefully considered and they receive effective, personalised support*
- *The arrangements for safeguarding are effective*

The priorities included within our School Development Plan were agreed by the inspector and we will endeavour to improve in the areas identified in the report and from our own evaluation.

The inspection was a very positive experience and involved many discussions, observations and professional conversations between the lead inspector and school staff and pupils. From the vast amount of information collated, the inspector used this evidence to produce this report which I hope you enjoy reading.

Finally, I would like to thank all our children for representing our school so brilliantly; the staff for their hard work and dedication; the parents and carers who either spoke with inspectors or provided feedback online; the governors for their continued guidance and Ebor Academy Trust for their support throughout.

The full report is attached within this email and is also available on our school website. It will shortly be published on the Ofsted website.

Kind regards

Miss L. Jackson
Headteacher
