# All Saints' News

Edition: 18

Date: 03.07.25

Thank you to everyone who joined us for our Summer Fayre last week and for our Junior Sports Day today. Despite having to rearrange yesterday's Nursery Sports Day, we have been lucky with the weather today; crowds cheered and the children competed brilliantly. Thank you to Mrs Palmer, and our staff team for their organisation. Infants Sports Day is next Wednesday, re-arranged times for the Nursery Sports Day are included in this Newsletter.

Over the coming weeks, we will be preparing all children for moving up to their next classes. Please see below for more information about who your child's class teacher will be next year. This information has been shared with the children in school today. We also look forward to welcoming parents/carers into school next week for the 'Meet the Teacher' and stay and play events.

You will receive your child's end of year school report on Friday 11th July. [Year 6 pupils on Tuesday 8th July.] If you would like to discuss your child's report, please don't hesitate to make an appointment with the class teacher.

I hope you all have a lovely weekend.

Mrs Newsham

### School Summer Fayre 2025

Thank you to everyone who supported the School Summer Fayre last week. It was lovely to see so many families enjoying the activities and watching their children perform.

A huge thank you to the FOAS for organising the event and to all the staff and parents who volunteered [before, during and after the event] without them, it would not have been able to go ahead.

At this time I do not know how much money was raised. What I do know is that every penny comes back to school to help subsidise the cost of visitors, visits and equipment for our children.

**THANK YOU!**

### School Meals

Please could I ask that all outstanding debt for school meals is paid before the end of term. Unpaid debt will be forwarded to the Academy Trust's Finance Team. Your support and co-operation with this would be appreciated.

Reminder—school provide one hot meal choice everyday. Dietary requirements are catered for however we are unable to provide an alternative choice based on a preference alone.

### School Games Gold Mark Award

We are delighted to announce that we have been awarded the School Games Gold Mark Award again this year. This recognises our school's engagement in the School Games and celebrates keeping young people active. We are delighted to have been recognised for our success.

A huge thanks to Mrs Palmer and Miss Jarvis for all of the time and effort that has gone into this.

## Author Visit!

FS2, Year 2 and Year 5 thoroughly enjoyed their author workshops with Katherine Wheatley this week. We also enjoyed the whole school workshops, where Kath told us more about the process of becoming an author.

For more information about Katherine's work, and to purchase any additional books, please visit <https://bumblegreennbooks.co.uk/>

### Therapy Dog

From September, we are in the fortunate position to have a therapy dog in school. Therapy dogs can provide improved emotional well-being, reduce anxieties, enhance social skills and are overall a calming presence.

If your child has an allergy to dogs or has a fear of dogs, please let the school office know as soon as possible and we will be in touch with you to discuss this further.
