

Building the Bridge to Success Together

All Saints' News

Edition: 19

Date: 22.07.25

As our school year draws to a close, it is important that we celebrate and give thanks for all the successes of the past school year. I would like to take this opportunity to thank all of our staff for their hard work and commitment throughout this year. I feel extremely fortunate to work with this wonderful team and do not take for granted the extra effort they all put in to make All Saints' a fun and engaging place to be. Thank you also to our governing body, who have given their time throughout the year, to offer support and challenge which has contributed to the leadership and further development of the school. Parents and carers, thank you for your ongoing support throughout the year, especially for supporting your children's learning at home and for coming into school to attend school events. A heart-felt thank you also goes to the FOAS Committee members and volunteers for all the events they have run and all the money that has been raised and donated to school. Finally a big thank you to the children for trying their best, working hard and for making us proud everyday.

I hope you all have a lovely summer break and I look forward to welcoming you all back into school on Tuesday 2nd September. Enjoy!

Mrs Newsham

Goodbye and Good Luck Year 6!

Today we say farewell to our Year 6 children and wish them all the very best of luck for their time at secondary school.

Year 6, you have been an amazing year group and we are proud of how hard you have worked in preparation for starting secondary school, with many of you consistently demonstrating that you are RICHER learners. Good luck to you all! Your secondary schools are very lucky to be getting such a fantastic group of ambitious Year 7 students.

Happy Retirement!

Today we have bid a fond farewell to Mrs Brodie and Mrs Evans who have retired from their roles at All Saints'. They have both worked at All Saints' for many years and we would like to thank them for all they've done for our school community.

We are going to miss you immensely.

Wishing you both a very happy and relaxing retirement.

THANK YOU!

This amazing group of Y5s have spent their free time making and selling bracelets. £61.06 has been raised for the school foodbank.

Chair of Governors Update

Mrs Rose Tyler, our Chair of Governors, has made the difficult decision to step down from her role. Rose has been a governor for a number of years, demonstrating dedication and passion while also offering support and challenge to the leadership team. We wish her well for what the future holds and know we'll see her soon on more school visits! Mr Jacobsz was appointed as Chair of Governors at the last LGB meeting and will take up the position from September 2025

Diary Dates

July

22nd—School Closes for Summer

September

2nd—School reopens to ALL pupils

12th—9am FOAS AGM in the Junior School, all welcome

13th—10am—2pm, FOAS Car Boot/Table Top Sale

Please follow us on X [formerly Twitter] [@allsauntsfed](https://twitter.com/allsauntsfed) to enjoy sharing many of the exciting events and activities which take place across the federation.

School Parliament

As we reach the end of the academic year, here's a review of what the Junior School Parliament have achieved and what plans they have to improve the school

Curriculum and Learning committee

The Curriculum and Learning Committee has been busy meeting regularly to review the curriculum and explore ways to make learning even more engaging and meaningful. Recently, we've discussed how to bring real-life RE experiences into school, including visiting places of worship and learning about a range of religions. We also ran a fantastic whole-school Maths Day, featuring Times Tables Rock Stars battles, outdoor learning, and real-world maths challenges. Looking ahead, we've been sharing exciting ideas for a future enrichment day, where we will explore the countries or individuals our school teams are named after.

Health and Wellbeing committee

The Health and Wellbeing committee have had a very busy year designing training programs for the "Caring Squad" and thinking about how we can improve our PSHE sessions. Over the past two terms we have regularly met with our ASJ Caring Squad, to train them in how to support children on the playground who maybe feeling sad, lonely or angry. Our training pack gave them some useful tips of what to do and resources that can help. The Caring Squad in Y3/4 have even put together a resources bag, in their own time!

Looking ahead, we would like to focus more on "Health". In particular, ways to improve the fitness trail. This may include meeting with our fundraising committee to negotiate fundraising. We would also like to improve the resources that are used during playtimes. We will conduct a survey, in September to find out what pupils would like to use.

The Environment committee

The school's Environment Committee has been hard at work, transforming the peace garden into a haven for local birds. After extensive research and design, we've been busy making a variety of bird feeders that will soon be installed throughout the garden. In exciting news, the caretaker is also lending a hand, constructing a bird hide which will allow pupils and staff to observe the birds feeding in their new environment without disturbing them.

Communities and Fundraising committee

Over the year, we have raised both money and awareness for different charities, including Comic Relief and RBLI. We proudly donated the money to the charities, so this can go to help those in need. We also gave back to our local community by collecting food donations for the local food bank and the money donated to the RBLI will be used within our local area including supporting veterans with daily tasks. Next year, we think the communities and fundraising committee should hold more competitions, some specifically around sports to raise even more money for charities. We also think it would be great if the committee could make an activity booklet which can be distributed to the lonely and vulnerable in our local community.

School's out for summer!

It's always best to be prepared

During the summer holidays, without the distraction of school, internet usage for many young people can increase all the way up to September. This guide is designed to help parents with a realistic approach to help keep their children safe when using the internet, social media and playing online games. Please click on each image below for more information.

A Parent's Guide to Social Media

A Parent's Guide to Sharing Pictures

A Parent's Guide to Gaming

A Parent's Guide to Live Streaming

A Parent's Guide to Online Grooming

A Parent's Guide to Online Influencers

A Parent's Guide to Fake News

A Parent's Guide to Privacy Settings

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school if you would like to attend a parents internet safety workshop or have any concerns.

Schools please [contact us](#) if you would like a SKIPS Safety Net session delivered to your parent groups or staff.
