

Building the Bridge to Success Together

All Saints' News

Edition: 3

Date: 03.10.25

We are now over half way into this first half term with lots of things having already taken place and lots still to come! Please take a look at the calendar for upcoming events.

Thank you to all the parents and carers who attended the Y6 Parent/carers and pupil session this week— it was lovely to see such engagement and I hope you found the information about how to support your child in Year 6, the Key Stage 2 SATs and the residential to Derbyshire useful. If you were unable to attend or have any further questions, please do not hesitate to speak with a member of the Year 6 team.

Wishing you all a lovely weekend. Mrs Newsham

Harvest Festivals

A big thank you to our Year 2 and Year 3 children for leading our Harvest Festival services this morning. They confidently presented a range of poetry, songs and information to help us give thanks for all we have as well as prompting us to think about those less fortunate. Thank you to Revd. Carol and members of All Saints' Church for your support with these services.

Thank you all for your generous donations for our school foodbank. They are very much appreciated.

Following the Junior Service, Year 3 took to the stage at Hessle Town Hall to sing a medley of Harvest songs for a special event for the Older people in Hessle. It was such a lovely opportunity for our children who did themselves and the school proud. The people of Hessle really enjoyed it.

In Sporting News...

Huge congratulations to Albie in Year 4, a fantastic young talent who has recently signed for Hull City AFC! Albie's journey with 'The Tigers' started early; he was scouted at the remarkable age of five and has now officially joined the club, playing for the Under 9's squad. We are incredibly proud to celebrate this amazing achievement and wish Albie all the very best as he pursues his dream.

We'll be cheering you every step of the way, Albie!

Reminders

Bikes and Scooters MUST be pushed through the playgrounds and while moving between the two school sites. Recently I praised children and thanked families for supporting us with this, only to receive a number of reports of children and sometimes adults, riding through the playground, at dangerous speeds, over the last 2 weeks.

May I also ask that children DO NOT use the equipment in the Reception/Nursery outdoor area, especially at the end of the school day while waiting to collect siblings from Year 1.

Parents and carers are asked to closely supervise their child[ren] before or at the end of the school day.

These reminders are for the safety of all people on our school site and I would appreciate your support with this.

Polite Request

Hello Yellow Day

Whether you choose a subtle splash of colour or dress like sunshine from head-to-toe, together we can show young people they're not alone with their mental health.

On **Friday 10th October** we are supporting World Mental Health Day by dressing in yellow for a voluntary contribution of 50p.

Please follow us on X [formerly Twitter] [@allsaintsfed](https://twitter.com/allsaintsfed) to enjoy sharing many of the exciting events and activities which take place across the federation.

FS2 [Reception] Phonics Workshops

Parents and carers of children in FS2 [Reception] are invited to attend a phonics workshop in school. Workshops will take place in the Infant School Hall on **Tuesday 7th October at 9:00am** and will be repeated on **Wednesday 8th October at 5:15pm**, sessions will last about 30 minutes.

Please confirm your attendance either by emailing school or returning the letter which will be emailed to parents/carers in the coming week.

School Photographs

Individual school photographs will take place on **Tuesday 21st October** at the Junior School and **Wednesday 22nd October** at the Infant School.

****A change to sibling photographs this year****

Siblings attending All Saints' School will be able to have their photograph taken during the school day. If you have a child who **does not** attend All Saints', and you would like them on the sibling photograph, an appointment can be booked either before or after school on the Tuesday, or before school on the Wednesday. Please contact the school office if you require more information or would like to make a booking.
