# All Saints' News

Edition: 10

Date: 23.01.26

We've had a few busy weeks in school. Children have continued to engage with their learning and enrichment activities. Last week a group of children represented All Saints' CE Junior School in the Sports Hall Athletics Competition. They did us proud, showed great team work and perseverance. Today, Year 2 have had a visit from Dinostar and explored dinosaur bones and fossils. There are plenty of other things planned for the remaining 3 weeks of this half term; please look at the diary dates for upcoming events.

Hope you all have a lovely weekend.

Mrs Newsham

## Allergy Aware School

As an 'allergy aware school,' we aim to provide a safe learning environment for all the school community.

We have children in school with severe allergies and kindly request parents and carers are mindful of allergens and refrain from sending 'nuts and nut-based products', in particular, into school as these pose a significant risk to members of the school community.

## Congratulation!

A huge congratulations to one of our Year 6 children on being a contestant on this Year's Junior Bake Off.

It has been wonderful to see you face so many challenges with determination, energy and enthusiasm. We are all so proud of your achievements and the way you conducted yourself on TV. We know you are destined for great things and I for sure would love to try more of your baking! For anyone who may have missed the shows, they were on Channel 4 and can be viewed on catch-up TV.

Whilst investigations continue over Grok AI and its link to X, we will not be posting any further photographs of children although examples of work/activities may be displayed. Should an alternative social media platform be chosen, we will be in touch with further information.
