

Building the Bridge to Success Together

All Saints' News

Edition: 11

Date: 06.02.26

The last five weeks have flown by with so many amazing learning opportunities taking place across our schools. This week Year 3 have visited Hull Museum and 5BP have attended swimming lesson each afternoon at Haltemprice. The children's behaviour has been impeccable throughout with several positive comments received—thank you to all the children for showing themselves as RICHER learners and thank you also to the staff who accompanied the children on these visits. Further visits are planned for Year 6 for next week—I hope they enjoy your visit to The Deep and model similar behaviours and attitudes.

Half term will be here before we know it, so I thought I'd share a staffing update. Mrs Cherrington will return to school after half term following her maternity leave. She will job-share with Mrs Jacobsz in 2LF until the end of the academic year—Welcome back Mrs Cherrington! Mr Good, our care taker, has resigned from his post—an advert has been posted on My New Term for anyone interested.

Hope you all have a lovely weekend and wishing you all a fabulous half term, when it arrives at the end of next week! The children are back to school on Monday 23rd February, following the half term break.

Children's Mental Health Week 9th -15th February

Children's Mental Health Week was launched over 10 years ago by the children's mental health charity, Place2Be. This year's theme is 'This is my Place'. Next week, through our daily check-ins and our safeguarding and wellbeing collective worship, the children will discover what it feels like to 'belong', learn how they can secure friendships, and be encouraged to be 'inclusive', in the hope that everyone feels confident to say 'This is my place', wherever that may be!

More information for how parents and carers can be involved can be found here: <https://www.childrensmentalhealthweek.org.uk/families/>

Be Kind
Include Others
Don't let anyone
feel left out

Internet Safety Day

Safer Internet Day 2026 will take place on the 10th February 2026, with celebrations and learning based around the theme '**Smart tech, safe choices - Exploring the safe and responsible use of AI**'.

This Safer Internet Day we are exploring the impact of AI on all of our lives, looking at how AI can be used for good, and giving advice and guidance that empowers people to use AI safely and responsibly. In addition, we will be recapping key messages related to online safety. The links below include some useful information for parents and carers.

<https://saferinternet.org.uk/guide-and-resource/parents-and-carers>

<https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

Whilst investigations continue over Grok AI and its link to X, we will not be posting any further photographs of children although examples of work/activities may be displayed. Should an alternative social media platform be chosen, we will be in touch with further information.

Spring Event—Disco

We hope the children from Year 2, Year 4 and Year 6 enjoyed their discos. Thank you to the FOAS volunteers for organizing the event and being in attendance to enable these to happen.

The next FOAS school discos are for children in :

Year 3 and Year 5 on Thursday 12th March.

Other events will take place during the summer term for children in Nursery, FS2 [Reception] and Year 1.

FREE online webinar for parents/carers

Dyslexia Sparks are hosting a one-hour online session, recording provided to all that can't attend live, in partnership with Phoenix Wellbeing,

designed to help parents/carers better understand children's emotional wellbeing and learn practical strategies to support them at home.

Children don't need to have dyslexia, this event is for all families.

World Book Day - Thursday 5th March

On Thursday 5th March we will be celebrating World Book Day. Information regarding the event was sent out earlier this week. Each child will be given a £1.00 World Book Day book voucher to exchange for or put towards a book from participating retail stores. School is running a 'Design a T-shirt for a character' competition. A template will be sent out for this. On the day, children are encouraged to come to school dressed as a book character. School have a number of donated costumes, if you would be interested in looking at these, please speak to your child's class teacher.

27th - Infant Easter Service 11:00am—Led by Year 1

27th - School closes for Easter

April

14th—School reopens for pupils

Attendance

After half term, parents/cares will receive an email notification, at the end of each week, with their child's overall attendance for the academic year. This has been recommended as good practice by our Trust and will help you to monitor your child's level of absence. Thank you for your continued support in securing good levels of attendance for your child.

Parking

Please park responsibly when dropping off and collecting your child from school. I receive complaints, at least weekly, from local residents regarding inconsiderate parking and sometimes abusive parents/carers. Please be courteous and do not block resident's driveways. Please also do not park in front of the school carpark entrance and exit—even though the gates are closed, access is needed at all times, in case there is an emergency. Thank you!
