

All Saints' News

Edition: 19

Date: 19.06.26

It's been rather busy in school in recent weeks although slightly quieter this week with some of our Year 6 children being on their residential in Derbyshire. The next few weeks are action-packed with more of our Year 6 children visiting Derbyshire, our FOAS Summer Fair and Sports' Days.

In my last newsletter, I shared that this one would contain information about class organisation and arrangements for the next academic year—this information is provided below. All of our children will remain in the same class teams apart from children currently in Year 1 and Year 4.

26/27

Teaching Staff Update:

- ⇒ Before half term, we successfully appointed the two teaching assistant vacancies. Miss Pottage, who worked as a TA and HLTA here at All Saints' previously, has re-joined the team. We were also pleased to appoint Mrs Roberts. Both Miss Pottage and Mrs Roberts are currently working at the Infant School.
- ⇒ Interviews for teaching staff have taken place in preparation for the new school year, and we're pleased to share that Miss Goodhall, Miss Lambert and Mr Rafferty will all be staying at All Saints' for a further year. We were also pleased to appoint Mrs Madden, who will join our teaching team in September.
- ⇒ Mrs Jacobsz and Miss Norton will both be leaving us at the end of term to take on new opportunities in the education sector and beyond. We have loved having them as part of our school team for the last few years. We would like to thank both Mrs Jacobsz and Miss Norton for the dedication, drive and passion they have shown during their time at All Saints' and we wish them well for the future.

baby boy

Such wonderful news! I am pleased to share that Mrs Scott welcomed a beautiful baby boy into the world earlier this week. A wonderful addition to her family, both are doing well.

Derbyshire 2026

Two of our Year 6 teams, 6K and 6A, are due to return this afternoon from their residential in Derbyshire. The children have shown what it really means to be a RICHER learner as they explored underground caverns, experienced outdoor, adventurous activities, and got 'up close' with exotic animals. They also took responsibility for themselves, their actions and, on whole, all of their belongings!

A huge thank you to all the staff who accompanied, supervised and supported the children during their time away—Mr. Kendall, Miss Atkinson, Mrs. Twidale, Mrs. Grantham, Mrs. Steel and Mrs. Ketley—you have gone above and beyond!

Next week it's 6H and 6B who embark on the adventure. I'm sure they'll have just as much fun and I'll provide an update on their visit in the next newsletter.

School Cycled

Despite exceeding our target, please continue to support our project by bringing plastic bottle tops into school. Not only does this project help to reduce landfill waste, it also provides items that the school can use to enhance it's environment. Large cardboard 'School Cycled' boxes located around the Junior School and at the Infant Office.

Friends of All Saints' Federation

Thank you to everyone who supported the non-uniform event last week in exchange for a tombola prize. Following your generous donations, the FOAS volunteers have been busy preparing for the event which is next Friday. Looking forward to seeing you all there!

In Sporting News....

Our Y4/5 boys team got through to the league finals, something All Saints' have not been part of in recent years. The dedicated team, played with great strength, amazing skill and outstanding team work and earned a truly remarkable 3rd place finish!

Y5/6 girls team found their finals a little more challenging, and although they didn't earn a placed position, they showed individual skills and passion.

My thanks goes to both teams for their positive attitude and perseverance, as well as to the parents and carers for collecting them from training, taking them to matches, being their supporters and enduring some wet weather at times!

A special thank you to Miss Jarvis, Mrs Palmer and Mr Kendall for all their support with the school football teams.

Our rounders team, who also got through to the school's league finals, played this week.

Although the results are still not back, we are delighted to share how respectful and enthusiastic our team was and how noticeable our manners and teamwork were. The organisers of the event were highly complimentary about the way our children conducted themselves during the entire competition.

My thanks to Mrs Steel and Mrs Smith for taking the children to the event.

Children's Commissioner's Survey - The Big Future

A message from the Children's Commissioner:

I am asking for your support in ensuring children and young people from All Saints' take part here: <http://www.childrenscommissioner.gov.uk/thebigfuture>.

It is crucial that I hear from children in every school and college, in every community, across the country. Without hearing from your children, their experiences, views and aspirations risk being missing from the national picture that will help shape future policy.

At a time of significant change for children and young people, it is more important than ever that their views are reflected in policy making. Through this survey, I can take the voices of your students directly to the center of government.

Message from Audrey Mansells regarding school uniform

So it has begun...The C of E logo uniform for September 2026 has started to arrive in store and is on our website. If you order via the website you can collect in store!

If you get paid monthly remember you can buy a bit this month and next, July wages seem to go quick as the kids are off in August. I hated the fact that we needed days out that also cost pennies in the school holidays as well as getting the uniform!

Don't forget to bring in your used uniform for the exchange scheme, no chewed cuffs, holes or stained items please! Then you'll get money off your new logo items 😊

Friends of Hessle Train Station—Art Competition

Our children have been invited to take part in an art competition, with the 3 winning entries (1st, 2nd, 3rd) being reproduced and displayed on the walkway down to Platform 2 at Hessle station.

The theme is trees as the name Hessle is believed to have derived from the old Norse word 'Hesli' meaning 'Hazel wood' and that the area was once covered in Hazel trees.

Children wanting to take part are asked to draw their favourite tree in Hessle. It must be portrait, A3 size and in colour. It can be any type of tree, in any season, anywhere in Hessle (in their garden, at Tranby Gate, the Country Park, Hessle Cemetery, etc.) and it doesn't have to be a Hazel!

The closing date will be Friday 26th June. Entries should be handed in to either school office with your child's name, age and school on the back of the entry.
