

All Saints' News

Edition: 1

Date: 11.09.26

Welcome to the first newsletter of the school year. To our new families, I am delighted to welcome you to All Saints' and we look forward to working with you to ensure your child has a happy and successful school journey. To our returning families, it is lovely to have you back! As well as welcoming many new children to All Saints', we have also welcomed a few new staff members - we are thrilled to have them as part of our team. We have had a fantastic start to the new school year and have been amazed at how brilliantly the children settled into their new classes and routines. The children enjoyed their Wow days and launched into their new topics with enthusiasm. They truly are a credit to you and we are very excited about the about academic year ahead.

Mrs Newsham

School Behaviour Policy

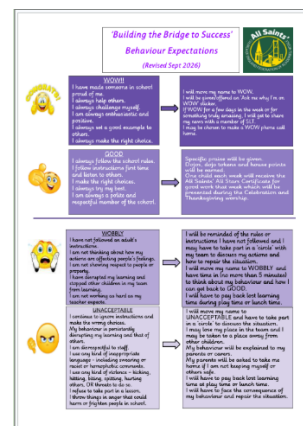

During the first week of term, all children have been introduced to or reminded of our whole school behaviour expectations. Our approach rewards and promotes positive behaviour whilst supporting children in overcoming any difficulties which may arise. We support children's resilience and operate a team approach where our aim is to provide children with the skills and tools to successfully resolve conflict, understanding how the choices they have made have affected others. We promote positive language and look to find opportunities where children can succeed and have good choices in their behaviour recognised.

We use the language of 'wow' and 'good' but equally we are consistent in our high expectations that children within our care, and with guidance and support can make mistakes but then rectify the result of their actions and behaviour.

We have three simple school rules;

- ◆ We use positive language and only say kind and polite words.
- ◆ We keep control of our hands, feet and objects.
- ◆ We follow instructions.

Should you require further information about the behaviour policy or expectations, please visit the school's website or speak with your child's class teacher.

This year our classes are named after countries. Please see a list of the Team names below.

Nursery - Team Portugal

FS2S - Team China

1G - Team Iceland

2CB - Team Madagascar

3SP - Team Kenya

4B - Team Italy

5S - Team Mexico

6K - Team Egypt

FS2M - Team Brazil

1M - Team France

2Ch - Team Costa Rica

3G - Team Spain

4C - Team Greece

5M - Team Peru

6S - Team England

FS2WR - Team Australia

1P - Team Scotland

2C - Team Malaysia

3L - Team Argentina

4R - Team Germany

5A - Team USA

6J - Team Norway

FS2Sh - Team South Africa

2G—Team New Zealand

5B—Team Canada

ATTENDANCE MATTERS

Attendance

Increasing attendance at school continues to be a national focus. Our efforts last school year, saw our overall attendance percentage move closer to the national expectations at the Infant School and exceeded national data at the Junior School however we still had a number of children who missed more than 10% of their time in school. It is surprising how the odd day missing here or there can really impact on a child's education. We do understand that sometimes children become ill or have medical appointments to attend but ask for support in ensuring that if your child is well enough to attend school, that they do. Should your child have to be absent from school, please phone school before 9:00am on 01482 684082 and leave a message on the absence line. Failure to report an absence or respond to a communication from school, will result in a home visit being made. Through our safeguarding policy, we have to ensure the safety of every child every day.

Over the coming week's we will consult our children on the rewards they would like to receive for good school attendance.

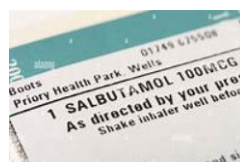

Contact Information

As we begin the new school year, please inform us of any changes to the emergency contact details for your child. **As a minimum**, we require telephone numbers and email addresses for parents and/or carers, and at least two other contacts who we may be able to call if we are unable to get in touch with you.

Medical Information and Dietary Requirements

To ensure we are able to effectively support your child and their needs, please can I ask that parents and/or carers update school with changes to their child's medical history/condition and provide any required, prescribed medication in its original packaging and with the prescription label attached.

We are also aware that some children may have special dietary requests. All such requirements should be supported by correspondence from a medical professional and handed in at the school office.

Diary Dates

September

29th—Flu Vaccinations - separate information has been sent from the Immunisation Team

October

1st - Hull Fair themed school lunch - Further information to follow

9th - Junior Harvest Festival at 9:30am - Led by Year 3, Year 3 parents/carers invited to attend

9th - Infant Harvest Festival at 11:00am - Led by Year 2, Year 2 parents and carers invited to attend.

13th - Year 5 Visit to Bridgehead

16th - Year 5 Visit to the Space Museum, Leicester

20th - Junior School individual and sibling Photographs

21st - Infant School individual and sibling Photographs

23rd - Break up for Half Term

31st - Deadline for secondary school applications for current Year 6 children

November

2nd - School reopens to pupils

Musical Me Group

We are delighted to continue our preschool music group on a Friday morning from 9:00am - 9:30am in the Infant School Hall. The group is suitable for babies and pre school children to attend with a

parent, carer or family member and can be accessed by families with children already attending our school. Mrs Nicholson looks forward to welcoming you!

Family Link—Nurturing Programme for Parents/Carers

Mrs Nicholson and Mrs Warner, who both work in school, will shortly begin the first Family Links Nurturing Parenting course.

Please speak to either member of staff for further information.

All Saints' Church Event

Secondary School Information

A few secondary schools in the area have asked us to share information about their upcoming Open Evenings in preparation for submission of Y7 applications. Please contact individual schools for further information.

Hessle High - Thursday 24th September

Wolfreton - Thursday 1st October

If you are particularly interested on visiting another school, please visit their school website and search for Open Evening information.

Reminders:

Please can parents and carers stand back from the school entrances to allow children to walk in safely. If you need to speak to an adult or your child is unsure of entering the building independently, please stand back and wait until there is space.

Please also remind your children that they are to push their bikes and scooters whilst on the school site. The playground is very busy and it is important that it is a safe place for everyone. Thank you.

The playground is very busy and it is important that it is a safe place for everyone.

Thank you!

Parent Workshops

East Riding Mental Health Support Team has asked us to share this with our school community. Please contact them for further information.

MENTAL HEALTH SUPPORT TEAM **EAST RIDING** **NHS**
Humber Teaching NHS Foundation Trust

Behaviour as a form of communication
Parent/Carer Workshop
30th September 4.30-6.30 pm
Online via Microsoft Teams

Aims and objectives:
Build a greater understanding of behavioural communication, and the different types of behaviours children and young people display and develop a tool kit to respond to their communication.

Book your slot via this EventBrite QR Code:

hmf-tr.eymhst@nhs.net @myrmhst

MENTAL HEALTH SUPPORT TEAM **EAST RIDING** **NHS**
Humber Teaching NHS Foundation Trust

Understanding Anxiety: Parent/Carer Workshop

Tuesday 15th September 1- 3 pm
Online- Microsoft Teams

Aims and objectives:
This session will offer practical insights into recognising and managing anxiety in children and young people, with strategies that parents and carers can use at home.
