Building the Bridge to Success Together

# All Saints' News

Edition: 5 Date:06.11.26

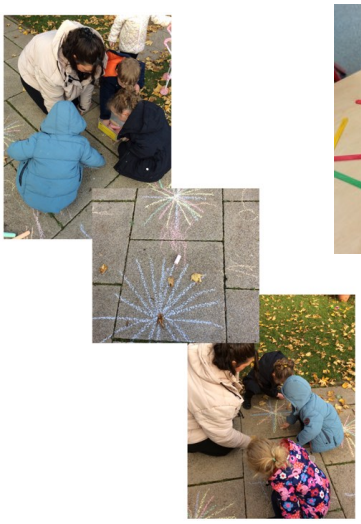

We have had a great start to the second half of the Autumn term. The children are engrossed in their new topics and we have seen some fantastic practical learning opportunities taking place.

We have a few busy week's ahead of us with lots of events to reflect on or celebrate including: Remembrance Day, Children in Need and Anti-bullying week, We also have Parent/Carer Consultation Evenings coming up—the online booking system through Arbor opened this week for this.

In addition to this newsletter this week, a separate letter has been sent with information about a few updates to our behaviour expectations and parental communications. Please take time to read this, speaking with your child's class teacher if you need anything clarifying.

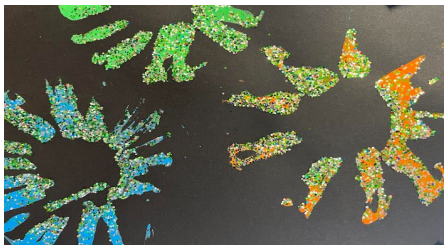

Thank you for your continued support and hope you enjoy the weekend. Mrs Newsham

Our days this week have looked like this….

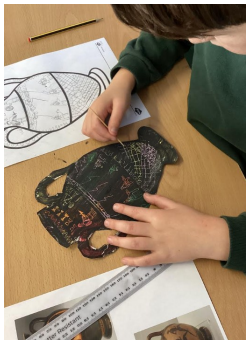

This week in nursery they have discussed bonfire night and keeping safe. The children painted firework pictures, matched firework pictures with lolly sticks and made their own edible sparkler with breadsticks, icing and sprinkles. They also discussed Remembrance Sunday, made a wreath and watched a video.

Year 1 went on a toy hunt to find the characters from 'Lost in the toy museum'. Later, the children sorted their our toys.

Year 4 as they start their 'Greece is the Word' theme.

## New Reception Starters September 2027

Are you considering sending your child to All Saints' CE Infant Academy in September 2027?

The first opening evening was very popular and thoroughly enjoyed by those families who attended. The next Open Evening is planned for Monday 16th November at 3:45pm. This will be an opportunity for you to view the environment and talk to staff.

Please see the leaflet for more information and contact the office to request a place for any of the dates advertised. Open to current families in our school nursery as well as families with children attending other or no settings.

## Friends of All Saints'

The FOAS held their AGM at the start of this week. Thank you to all those in attendance, not only on the evening but also for all their hard work, dedication and continuing support throughout the previous year., raising vital funds to go towards enrichment opportunities and experiences.

Last year money raised from FOAS events went towards, school trips and visitors, sensory equipment throughout school, and plants and furniture for the outdoor areas at the Junior School. They are also donating a significant amount of money towards books for the school libraries and to replace the screen and projector in the Infant School.

Without their unwavering commitment our children, **your children**, would not have the experiences they have and for this to be sustained the FOAS need more members of our school community to come forward and volunteer. Please contact a member of the FOAS to discuss this further, via email, messaging through their Facebook page, or searching them out at the next event.

## READING for Pleasure

At All Saints', we're passionate about reading for pleasure! We know that when children genuinely enjoy reading, it opens doors to amazing opportunities and helps them truly flourish. Of course, they earn great rewards when they read to an adult three times a week in school, but what we really want is for every child to fall in love with reading right from the start!

Books for topics have created a list of recommended books for children. Each of their Year Group Recommended Reads lists contains 50 books specially picked out for reading for pleasure in each school year group, from Preschool to Year 8. The lists are designed to provide recommendations of age-appropriate and accessible books across a range of genres and styles.

Below is a link to follow for the recommended reads by year group, which some children may want to add to their Christmas wish lists from Santa!

reading plus

If you would like any more information about reading plus, or need help with login information, please speak to your child's class teacher.

All children at the junior school have a 'reading plus' account which they access regularly in school. Children are also welcome to use 'reading plus' at home and count this towards their home reading certificates and half-termly reading raffle tokens.

## Children and Family Help Worker

We are fortunate to have our designated children and family help worker in school at the following times.

- Thursday 19th Nov: 9:00am to 11:30am.
- Wednesday 9th Dec:: 9:00am to 11:30am

If you are struggling with things at home, routines, behaviour etc. please give the school office a call and they will arrange a time for you to drop in and speak with the worker.

## Poppy Appeal

Unfortunately our usual delivery of poppies and poppy products have not arrived in school this year.

Although we may not be able to support the Royal British Legion's Poppy Appeal through the sale of poppies, we will remember them through our prayers and times of reflections.
